

Need help increasing your business?

Increase your business among Chamber members while also taking advantage of specials offered to you!

How? The Kaua'i Chamber of Commerce invites you to participate in our **Member2Member Discount Program**, which allows our members to offer a discount to fellow members and/or take advantage of discounts offered on products and services they use every day.

The Member2Member Discount Program offers Chamber members and their representatives the opportunity to:

- **Save** money when making purchases at participating Chamber merchants
- **Stimulate** new business through increased exposure and word-of-mouth referrals through Chamber member companies and their representatives
- **Encourage** Chamber members to patronize their fellow member's business

Participation in the Member2Member Discount program is voluntary. However, the following guidelines were established for the program:

- Discounts must apply to actual goods and services
- Free consultation offers are not eligible for the program
- Membership cards will be issued annually in order to identify Chamber members who qualify for the discount
- Discount good for one year!
